

## A&D Company, Limited has entered into an agreement to invest in Aevice Health Pte Ltd.

---

A&D Company, Limited (Headquarters: Toshima-ku, Tokyo; President and Representative Director: Yasunobu Morishima; hereafter, "A&D") announces that it has signed a USD 1 million dollar investment agreement with Aevice Health Pte Ltd (hereafter, "Aevice"), a Singapore-based provider of remote respiratory monitoring solutions.

### 1. About Aevice

Aevice is a digital health company focused on improving asthma and Chronic Obstructive Pulmonary Disease (COPD) care through its proprietary non-invasive remote patient monitoring platform and wearable stethoscope, AeviceMD, which use cutting-edge technology to "improve access to care, empower patients and reduce healthcare costs".

### 2. Future Development

This investment is intended to strengthen our capacity to provide solutions to the health challenges facing society. This investment will facilitate the mutual utilization of A&D Group's strengths in medical technology and sales network, mainly in blood pressure monitors, and Aevice's unique digital health technology, and will enable the creation of new products and services with higher added value.
